Dear Sir/Ma'am ,

This is with reference to our earlier circular dated 30th January 2018 regarding settlement of dispute of payments with foreign buyers.

Export Promotion Council for Handicrafts (EPCH) has decided to take the services of international debt recovery agency so as to facilitate resolution of the dispute and recovery of money from the overseas buyers.

In case a member exporter wishes to avail the services of the international debt recovery agency, he /she have to pay US\$ 10 towards the same, however, in order to encourage maximum number of exporters to avail the benefit under this initiative, the Council proposes **free of cost service** to first 1,000 Member Exporters or three months (whichever is earlier).
