**SEMINAR ON "JUTE, NATURAL FIBRES, SILK, RAYON AND COTTON – NEW FASHION FABRICS" ON 29.03.2014 (SATURDAY) AT KOLKATA.**

Dear Sir / Madam,

Natural fibres such as cotton, silk, jute and sisal have been used for centuries (and still are used). The 'technical' textiles are attracting considerable attention. What is relatively new is growing recognition of the economic and strategic potential of such textiles to the fibre and fabric manufacturing and processing industries. The Finished products suffer due to lack of design, marketing and other related issues when faced with competition from international markets in terms of quality, price, production capacity, time schedule and consistency. The sector needs desired focus for development & investment. Realizing the importance of the subject, the Council is proposing to arrange a Seminar on below mentioned topic:

**March 29, 2014: "Jute, Natural Fibres, Silk, Rayon and Cotton – New Fashion Fabrics".**

The program details are as follows:

**DATE : 29<sup>th</sup> of March, 2014 (Saturday).**

**TIME : (Registration 03.30 pm) 4.00 pm followed by High Tea in Evening.**

**VENUE : EPCH KOLKATA OFFICE: 53/1, Sambhunath Pandit Street, Second Floor, (opp. Bangur institute of Neuroscience & Psychiatry), Kolkata– 700 025**

Renowned Guest faculty, associated with the Industry will provide the required knowledge to the participants who are engaged in the handicrafts sector.

As we have limited seats and keeping in view the importance of the Seminar, you are requested to confirm your participation in confirmation slip. Kindly forward us your confirmation at: [kolkata@epch.com](mailto:kolkata@epch.com)

Yours faithfully

**R. K. Verma
