EPCH participated in the India Wood Show held at Bangalore International Exhibition Centre, Bangalore from 2nd to 8th June 2022, with a publicity booth on Vriksh Certification and EPCH Wood Test Lab. This exhibition is completely based on wooden industry which is a major category of handicrafts and this provides the right platform to target the right audience at one place.

As per the information received from the organisers, Nurnberg Messe India Pvt. Ltd., a large and record number of visitors have visited the exhibition. Many out of that visited the EPCH booth and enquired about various activities of the Council as well as Vriksh Certification. Informative leaflets/ brochures were also displayed and distributed among visitors and exhibitors ■
